

Compliant Logistics

Flat Rate Box Service

The SIMPLE and AFFORDABLE service for what is in your Locked Cabinet.

Our Flat Rate Box Pharmaceutical Destruction Service is perfect for your small quantities of pharmaceuticals. No matter if they are controlled or non-controlled. We help you with all of your expired, damaged and unused pharmaceuticals. No contracts required and never any hidden fees.

We use the USPS small, medium and large Priority Mail Flat Rate Boxes for shipping. You choose the size to best meet your needs.

The **\$99 Small** box holds about 11 of 20-dram amber vials, the **\$199 Medium** box holds about 70 and the **\$299 Large** can fit as many as 110. Group plans and subscriptions are available.

Choosing the right DEA Reverse Distributor can be difficult especially for very small quantities. 123 Compliant Logistics can put your mind at ease with our Exceptional Customer Experience and this end-to-end Compliant process.
